STUDENT DRUG TESTING PROGRAM
OPERATION OF MOTOR VEHICLES ON CAMPUS CONSENT FORM

Statement of Purpose of Intent

The operation of a motor vehicle on campus by a student at Cement Public Schools is a privilege. Drivers on campus carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal drugs.

Drug use of any kind is incompatible with the operation of a motor vehicle. For the safety, health, and well being of the students of the Cement Public School District, the district has adopted the attached Student Drug Testing Program Policy and the Student Drug Testing Program Consent for use by all student drivers at Cement Public Schools.

Operating a Motor Vehicle on Campus

Each student driver shall be provided with a copy of the Student Drug Testing Program Policy and the Student Consent, which shall be read, signed and dated, by the student, parent or custodial guardian, and the principal before such student shall be allowed to drive on campus. The consent shall be to provide a urine sample (a) at the beginning of the school year, when the student enrolls, or when the student receives their driver's license; (b) when chosen as part of the random selection pool; and (c) at any time requested by the principal, based on reasonable suspicion of illegal or performance-enhancing drugs or the metabolites thereof . No student shall be allowed to drive on campus unless the student has returned the properly signed Student Drug Testing Consent.

I understand after having read the Student Drug Testing Program Policy and Student Drug Testing Program Consent Form that, out of care for my safety and health, the Cement Public School District enforces the rules applying to the consumption or possession of illegal and performance-enhancing drugs. As an operator of a motor vehicle on the campus of Cement Public Schools, I realize that the personal decisions that I make daily, in regard to the consumption or possession of illegal or performance-enhancing drugs, may affect my health and well being as well as the possible endangerment of those around me. If I choose to violate school policy regarding the use or possession of illegal or performance-enhancing drugs , I understand upon determination of that violation I will be subject to the restrictions on my operating a motor vehicle on school campus as outlined in the policy.
