

**STUDENT DRUG TESTING PROGRAM
EXTRACURRICULAR PARTICIPANT CONSENT FORM**

Statement of Purpose of Intent

Participation in school sponsored extracurricular activities at Cement Public Schools is a privilege. Extracurricular activity participants carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal drugs.

Drug use of any kind is incompatible with participation in extracurricular activities. For the safety, health, and well being of the students of the Cement Public School District, the district has adopted the attached Student Drug Testing Program Policy and the Student Drug Testing Program Consent for use by all extracurricular participant students in grades 7-12.

Participation in Extracurricular Activities

Each extracurricular participant shall be provided with a copy of the Student Drug Testing Program Policy and the Student Consent, which shall be read, signed and dated, by the student, parent or custodial guardian, and coach/sponsor before such student shall be eligible to practice or participate in any interscholastic activities. The consent shall be to provide a urine sample (a) at the beginning of the school year or when the student enrolls in an extracurricular activity; (b) when chosen as part of the random selection pool; and (c) at any time requested by the athletic director, principal, sponsor, or coach of the student based on reasonable suspicion of illegal or performance-enhancing drugs or the metabolites thereof. No student shall be allowed to practice or participate in any activity governed by the policy unless the student has returned the properly signed Student Drug Testing Consent.

I understand after having read the Student Drug Testing Program Policy and Student Drug Testing Program Consent Form that, out of care for my safety and health, the Cement Public School District enforces the rules applying to the consumption or possession of illegal and performance-enhancing drugs. As a member of a Cement extracurricular activity, I realize that the personal decisions that I make daily, in regard to the consumption or possession of illegal or performance-enhancing drugs, may affect my health and well being as well as the possible endangerment of those around me and reflect upon any organization with which I am associated. If I choose to violate school policy regarding the use or possession of illegal or performance-enhancing drugs any time while I am involved in in-season or off-season activities, I understand upon determination of that violation I will be subject to the restrictions on my participation as outlined in the policy.
